**University of Pennsylvania Amateur Radio Club
Board Meeting Minutes
April 8, 2017**

Present (via telephone): Brett Bell, Evan Oskierko-Jeznacki.

1. SAC recognition
 1. Brett has registered us in GO Penn with the addition of temporary treasurer Hope Merens.
 2. Brett will follow up with OSA to ensure we are on track to be recognized and funded.
 1. This places us to be eligible for funding consideration in Fall 2018 (SAC does not take funding applications in the spring, and we will not be eligible for the 2017 cycle)
2. Recruiting
 1. Will send out finalized interest form to undergrad class pages this week, put interested students on mailing list
 2. We will then set a date and hold a club/licensing information session
 1. Encourage self study for technician exam over the Summer
 2. SAC club fair to recruit freshmen in August
 1. Make this a special event, bring out the rigs and allow interested students to chat. Coordinate with Temple, Drexel, HARC, other area clubs.
 3. Hold fall information session
 4. Hold fall exam, coordinate with Bob from Holmesburg

3. Space
 1. Will schedule meeting for Brett and Andrew with Dr. Blaze regarding space in DSL
4. Longer term
 1. Antenna on SEAS, not an immediate priority as we do not have sufficient members. Focus on recruiting and establishing club before approaching administration.
 2. Get more general class members, then VE so we can hold our own technician level exams.
