Dear Mr. HARNWELL;

The Amateur Radio Club (W3ABT) of the University of Pennsylvania recently performed for us a great morale enhancing service. During September 1967, club members placed over fifty phone patch calls to relatives and friends of the officers and men of the United States Coast Guard Cutter MACKINAC (WHEC 371) on ocean station patrol in the North Atlantic.

We of the MACKINAC are most grateful and ask that you accept on behalf of the club the enclosed plaque and picture as tokens of our appreciation. We hope that you will choose to display these somewhere in the club facility.

Sincerely yours,

J. L. FLEISHELL
Commander, U. S. Coast Guard
